Affidavits of Publication and Posting of a Notice to Bidders were presented and ordered placed on file.

<u>BIDDER</u>	<u>BID</u>

PUBLIC HEARING SCHEDULED FOR 8:15 P.M.:

At 8:15 p.m. the Town Board held a Public Hearing to hear all interested parties and citizens for or against a proposed rezone of property on the east side of Transit Road north of William Street.

Affidavits of Publication and Posting of a Notice of a Public Hearing were presented and ordered placed on file.

The Town Clerk presented copies of letters which were mailed Certified Mail, Return Receipt Requested, to the Petitioner, the purchaser under contract of the Petitioner, the Erie County Department of Planning, and the Town Clerk of the Town of Cheektowaga, notifying these individuals of the time and place of this Public Hearing.

The Town Clerk presented a Zoning Coordination Referral from the Erie County Department of Planning wherein the Department acknowledged receipt of a Notice of this Public Hearing and commented as follows:

4. The proposed zoning action is subject to review; the Department makes the recommendation shown on Form ZR-4, Recommendation on Proposed Zoning Action, which is attached hereto.

Based on the information received.

"The Erie County Planning Division has no objection to this request from a zoning standpoint.

It is recommended that development plans indicate a building setback of 130' - 135' from the centerline of Transit Road. As this highway becomes heavily developed, there may be a need to construct a service road running parallel with Transit Road, with controlled entrance and exit drives at specified locations. Placement of structures along Transit Road in accordance with the above setback would assist the eventual development of such a plan. Such a setback is now being implemented along Transit Road in the Towns of Amherst and Clarence.

Applicant must contact the New York State Department of Transportation, Frank Polizzi, Regional Permit Engineer at 842-4215 for necessary curb and drive cut permits."

The Town Clerk presented a letter from Tryon and Schwartz, retained consultants of the Town of Lancaster, to the Planning Board recommending a favorable review of this proposed rezone.

The Town Clerk presented a letter from the Town of Lancaster Planning

Board to the Town Board recommending a favorable review of the proposed rezone.
